VIII.—DEMANDS FOR SUPPLEMENTARY GRANTS FOR 1932-33.

GRANT VI—IRRIGATION (EXCLUDING CAUVERY-METTUR PROJECT)—RESERVED.

* The hon. Sir ARCHIBALD CAMPBELL :—" Mr. President, Sir, on the recommendation of His Excellency the Governor, I beg to move—

' *that Government be granted a further sum not exceeding Rs.* 58,300 *under Grant VI—Irrigation (excluding Cauvery-Mettur Project)—Reserved* '.

" Sir, this grant is required for four works which are indicated on the agenda paper. The first of these is to provide for the realignment of the Godavari flood bank on the Polavaram Island. The flood bank was seriously eroded between miles 3/3 and 4/4 this year. The cheapest way of remedying this is to realign the bank from mile 3, so that it will run alongside the local fund earthen road from Amalapur to Yenam. The work is estimated to cost Rs. 21,000. As it is urgent and should be carried out this year, the Government have authorized the starting of the work. As the expenditure can be met by reappropriation, I ask for a token grant of Rs. 100 only.
